Six-week study of the book of  
**Revelation**

Dr. Dan Boone, President of Trevecca Nazarene University, has written a book titled *Answers for Chicken Little*. It is a study of the book of Revelation. Many Christians shrink from the last book of the Bible because of all the gloom and doom surrounding it. Beasts, blood, and pestilence color its pages, but what does it all mean? Is this the end of the world, or is it a new beginning? We will be using a DVD resource with teaching segments from Dr. Boone. This intriguing study of Revelation and these engaging video lessons offer a clear vision of Jesus and the abundant hope-filled life He wants for all His people.

*\*If you would like a copy of the book by Dr. Boone, (\$12.), let Nancy Hurst know in the church office. An Order will be placed on Dec 21st.*
