Special Sunday Night Services Beginning Jan 10th - Six-week study of the book of

Revelation

Dr. Dan Boone, President of Trevecca Nazarene University, has written a book titled *Answers for Chicken Little*. It is a study of the book of Revelation. Many Christians shrink from the last book of the Bible because of all the gloom and doom surrounding it. Beasts, blood, and pestilence color its pages, but what does it all mean? Is this the end of the world, or is it a new beginning? We will be using a DVD resource with teaching segments from Dr. Boone. This intriguing study of Revelation and these engaging video lessons offer a clear vision of Jesus and the abundant hope-filled life He wants for all His people.

Benevolence Committee

Thank You seems somewhat inadequate this year to say how much the committee appreciates your caring response and generosity this Christmas Season. Because of you, we were able to reach out to others – *we receive the smiles (and tears)* – but, we pray that each of you will receive the blessings that come from such sharing. God bless you in this coming New Year as we continue to work together to share His love.

Scottie Chesnutt,
Benevolence Chairman
