PRAYER OPEN HOUSE

There will be prayer stations and prayer resources to guide us in a concerted time of prayer. People will be free to come and go as they choose during this hour of prayer.

Board Meeting Update: We are one week away from revival. The Board and Pastor are encouraging everyone to enter into a concerted time of prayer & fasting.

Our Revival theme is God's Desire: A Church for the Generations. "To Him be glory in the church and in Christ Jesus to all generations." Ephesians 3:21

We want to be a healthy growing church that makes a difference to every Generation.

There is a clear sense of leading about the future of the church. Over the next few months we will be preparing for a change that will lead to two distinct worship services. *We all love the Lord. We all like different things, especially in the area of worship music.* We want to put our very best into a *Traditional (mainly Hymns) Service*, where people who love their church - want to share it. There are people who no longer attend church because they feel the modern church has left them behind. We want to be a reaching church that provides worship and teaching that is focused the *Contemporary culture* as well.

Please pray for God's guidance and blessing each step of the way!

ADULT MINISTRY Bible Study

New Ladies Bible Study in 1

Corinthians: The study will guide us in leading, loving and worshipping as those being transformed by the resurrected Jesus. We are using the *N.T. Wright for Everyone Bible Study Series*. It is designed to help you understand Scripture in fresh ways. Thoughtful questions, prayer suggestions, and useful background and cultural information guide us more deeply into God's word.

New Men's Bible Study in Colossians and Philemon:

Paul was stuck in prison when he wrote to his young flock, affirming them, warning them of hazards, and pointing them to King Jesus. We are using the *N.T. Wright for Everyone Bible Study Series*. These eight studies will guide us toward maturity in King Jesus, who is still at work in his people today. Through these weeks we will seek to discover how you can participate more fully in God's Kingdom.
